OBJECTIVE

Motivated engineering graduate with hands-on experience in full-stack web development, specializing in React.js, TypeScript, and Node.js. Seeking to leverage technical skills and leadership abilities to contribute to innovative software solutions.

EXPERIENCE

- **Fullstack Development Intern | TargetGrid | Remote**　　　　　**February, 2024 - July, 2024**
  - Tech Stack : Reactjs, TypeScript, TailwindCSS, Plasmo, NodeJS, MongoDB.
  - Tools Uses: Gitlab, VS Code, Postman, Jira.
  - Working Project: Chrome extension, Viewer Library, Sales service platform.

- **Frontend Development Internship | IBM SkillsBuild | Remote**　　**December, 2022 - February, 2023**
  - Tech Stack : Reactjs, Javascript, TailwindCSS .
  - Tools Uses: VS Code, GitHub.
  - Working Project: Portfolio Website.

EDUCATION

Course	College / University	Year	CGPA / %
B.Tech (CSE)	College of Engineering and Management, Kolaghat	2020- '24	8.95/10
Board (Class XII)	Haldia Govt. Spon. Vivekananda Vidyabhawan	2020	80.06
Board (Class X)	Rampur Vivekananda mission vidyamandir	2018	84.84

PROJECT

- **Remote exam services**
  - Web application - Reactjs, Typescript, Nodejs, MongoDB.
  - Featuring user-friendly interfaces for teachers to create and manage exams, view student submissions, and publish scores in other hand Enabling students to participate in remote exams, view exam results.

- **File viewer library**
  - npm libbray | Web-Application - Reactjs, TailwindCSS.
  - Supports various file formats: PDF, JPEG, TIFF, PNG. Features with customizable options, zoom functionality, and URL-based PDF loading

SKILLS

Java	**MySQL**
Javascript	**ReactJs**
Object Oriented Programming	**Nodejs**
Database Management System	**MongoDB**
Web Development	**Tools :** VsCode, Git, Postman, Jira
Software Engineering	**Operating System :** Linux, Windows

OTHER INFORMATION

- **Leadership** : I am leading a social worker team CITADEL along with my friends and a teacher and I am proud with my hobby is social servicing.
